

# College Credit Opportunities

Students have several opportunities to gain college credit while in high school, typically by completing a college-level course, passing a college-level exam, or a combination of both. Explore the table below for an overview of available college credit programs.

	Course for High School Credit	Course for College Credit	Exam for College Credit
Advanced Placement (AP)	✓		✓
Advanced Technical Credit (ATC)	✓	✓	
Credit by Examination or for Experience (CLEP)			✓
Dual Credit	✓	✓	
Dual Enrollment	✓	✓	
International Baccalaureate (IB)*			✓

\*Students who participate in the IB program must take a corresponding college-level course before taking the exam.
