

Stay Connected

1. Gradebook Access

One of the very best ways for a parent to stay connected is to use their gradebook account!

We also encourage students to set up their own gradebook account.

- See current grades for your student with one click
- Email teachers directly from gradebook
- Monitor attendance and academic progress
- Receive notifications for missing or low grades

Step by step instructions can be found at www.lubbockisd.org

2. Go Mobile

Another great resource is the Lubbock ISD app. You can use your mobile device to access gradebook, see school calendars and athletic schedules, deposit money in a lunch account, find bus routes, and more.

3. Counselor Email

Email your counselor and request to be added to their distribution list. Newsletters, announcements, scholarships and more will be sent directly to your inbox!

4. Check the Website

We work diligently to keep the counselor page on the MHS website updated and current with information that you might need. Find the counselor page listed under departments. www.lubbockisd.org/mhs

5. Students: check your school email

Every student has a school email account that they should develop the habit of checking regularly. Your student email should be 100...@lubbockisd.net. The default password is your birthday: mm/dd/yyyy

You can reset your password at: <http://passwordportal.lubbockisd.org/>
