

Birth / Death Certificates

part of Vital Statistics division

Vital Statistics office is located at 1625 13th Street in the Municipal Building. This office is responsible for filing all births, deaths, and fetal certificate in Lubbock County.

There are three deputy registrars in this office to assist customers to notarized documents pertaining to vital records such as amending a birth or death certificate, filing a delay birth certificate or Acknowledgement of Paternity.

Since 1992 this office utilized a project "Remote Site Access" provided by the Texas Department of Health Bureau of Vital Statistics. This project enabled our office to service the citizens of Lubbock County and other citizens born in other county within the State of Texas to receive their birth certificate.
