

**A RESOLUTION RELATING TO EMERGENCY
MODIFICATIONS TO POLICIES, CLOSURE OF DISTRICT SCHOOLS, AND
THE EXPENDITURE OF PUBLIC FUNDS
DURING THE GOVERNOR-DECLARED STATE OF DISASTER TO MITIGATE
AFFECTS OF COVID-19**

WHEREAS, the Lubbock Independent School District (“LISD” or the “District”) was made aware on March 11, 2020, that the World Health Organization had declared the spread of the novel coronavirus (“COVID-19”) a global pandemic; and

WHEREAS, the President of the United States on March 13, 2020, issued a proclamation declaring a “National Emergency Concerning the Novel Coronavirus Disease (COVID-19) Outbreak”; and

WHEREAS, the Governor of the State of Texas on March 13, 2020, certified that COVID-19 posed an imminent threat of disaster, and in accordance with the authority vested in the Governor by Section 418.014 of the Texas Government Code, the Governor declared a state of disaster for all counties in Texas; and

WHEREAS, COVID-19 could be spreading in the state and its presence in the LISD community cannot currently be ascertained; and

WHEREAS, the County, the State, Texas governmental bodies, and businesses have taken precautions to protect their citizens, workers, and patrons from circumstances in which COVID-19 may easily spread, including without limitation, suspending operations or continuing to operate through remote methods such as telecommuting; and

WHEREAS, the LISD Board of Trustees wishes to delegate any and all authority to the Superintendent of Schools during this period of declared global pandemic and statewide disaster to make decisions that will be in the best interests of the District and its student, parents, and employees and place the District in the best position to resume its normal operations with its students, parents, and staff as soon as it is safe to do so;

NOW BE IT THEREFORE RESOLVED that the statements contained in the preamble of this Resolution are true and correct and adopted as findings of fact and operative provisions hereof; and

NOW BE IT THEREFORE FURTHER RESOLVED that the Board of Trustees delegates to the Superintendent of Schools any and all authority to modify the District’s locally-adopted Board policies at her sole discretion that she deems to be in the best interests of the District for a period of 45 days following the adoption of this resolution to react to the situations that may be present in the District during the state-declared disaster period in order to mitigate the public health risks of COVID-19;

NOW BE IT THEREFORE FURTHER RESOLVED that the delegated authority to the Superintendent of Schools to modify any and all Board policies set forth above includes, but is not limited to, closing District schools, providing for distance learning and instruction, and providing paid leave to exempt and/or non-exempt employees in addition to the leaves and absences currently permitted under Board policy should the Superintendent believe that such actions would protect the health and safety of District students, employees and/or their families;

NOW BE IT THEREFORE FURTHER RESOLVED that the District's Board of Trustees makes the following finding regarding the expenditure of public funds for any pandemic-related personnel expenses incurred by the LISD in order to maintain and/or resume its normal operations at its facilities as soon as reasonably possible as soon as the Superintendent determines that school closures are needed and subsequently safe to open, should she determine that a modification to the ordinary workplace attendance be required:

FINDING: Expending public funds for additional employee paid leave related to the mitigation of the spread of COVID-19 is reasonable because of the following:

- (1) The predominant purpose of providing the additional paid leave is to mitigate against the spread of a virus that constitutes an imminent threat to the health and safety of District, students, employees, and their families, not to benefit unaffected private parties;
- (2) The District will retain sufficient control over the distribution and use of the pandemic-related additional leave to ensure that the public purpose is accomplished; and
- (3) The District will receive the significant benefit of being able to quickly resume its operations at its facilities with all or most of its highly trained and experienced staff following the passing of the COVID-19 threat and, thereby, continue to provide instruction and services to students as they received before the arrival of the virus; and

BE IT THEREFORE FURTHER RESOLVED that the Superintendent is directed to keep a list of the modifications she makes to Board policies and report those modifications to the Board at the time such modifications are made and at the first Board meeting following of the exercise the delegated authority herein; and

BE IT THEREFORE FURTHER RESOLVED that this resolution meets the requirement set forth in Board policy DEA(LOCAL) for payment to employees during a time of emergency if the superintendent determines that it is in the best interests of the District; and

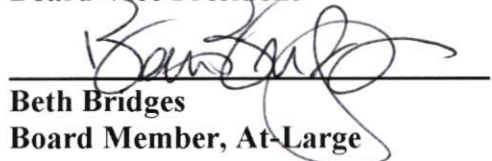

BE IT THEREFORE FURTHER RESOLVED that the District's Board of Trustees authorizes the Superintendent and District administration to take any and all action necessary to carry out the wishes of the Board as expressed in this Resolution, and the delegation of authority as set forth in this resolution shall expire at the end of 45 days following the adoption date of this Resolution.

This resolution shall be in full force and effect from and after its passage, and it is so resolved.

PASSED AND APPROVED ON THIS 17th DAY OF MARCH, 2020.

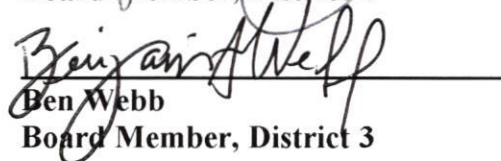

Bill Stubblefield
Board Vice President

Beth Bridges
Board Member, At-Large

Ryan Curry
Board Member, District 4

Ben Webb
Board Member, District 3
