### PHARMACY TECHNICIAN COURSE

Pharmacy Tech is a rigorous course beneficial to those pursuing any type of medical training or career! Before enrolling in the course, here are a few details you should know:

1. Students are expected to take the national pharmacy technician certification exam
2. Students who demonstrate successful completion of learning modules may be eligible to apply for a “trainee license” and begin working in an approved pharmacy setting.
3. Students will participate in clinical rotations at sites such as Covenant Medical Center and Walgreens. These locations have additional requirements for participation.
4. Students will be expected to act professional at all times- both in and outside of the classroom!
5. LISD covers the cost for curriculum, testing and clinicals. However, students may have an out-of-pocket cost of up to \$120 for fingerprints and background checks as well as personal scrubs. Financial assistance will be provided for students as needed.

The requirements to take the certification exam include:

- The student must complete all required coursework
- The student must be 18 years of age (before the exam)
- The student must pass a national background check and be fingerprinted

Some tips to be successful in class as well as clinical rotations:

1. Be an independent learner
2. Be prompt and consistent in attendance
3. Comply with all professional standards outlined by the facilities you enter
4. Do your assigned work at the highest level and turn everything in on-time
5. Be inquisitive and ask questions

There are medical documents and disclosures you will need to have turned in during the first weeks of school in order to comply with minimum requirements to enter clinical rotation sites. If you do not submit these documents by the deadline, you may be transferred out of the program. Below is a basic list of documents needed; it is subject to change due to policy of the hospital or facility at any time. Read through each section and initial your understanding, along with a parent or guardian:

Documentation that will be needed	Student Initial	Parent Initial
Vaccination Records		
Annual Influenza vaccination or a declination statement		
Tuberculosis screening		
A negative background check		
Covid-19 vaccination per facility requirements		

I understand that to be enrolled in this course, I will need to meet these expectations.
