

Campus Improvement Plan 2020-2021

90-70-40

Preston Smith has challenged each teacher and student to “Grow While Preserving the Past”

We pledge to continue our “A” rating and Increase our Distinctions to Five.

Each STAAR Testing percentages will maintain or increase to 90% approaching, 70% Meets and 40% Masters

Goal:

LISD will support and empower all students to reach their highest potential through the development of their knowledge, skills, and abilities.

- **Performance Objective :**

In the area of Mathematics, the summed student performance on state assessments will increase to 95% achieving the Approaching grade level, to 74% achieving the Meeting grade level, and to 45% achieving the Masters grade level standard as evidenced by 2021 state assessment data.

- **Performance Objective :**

In the area of Science, the summed student performance on state assessments will increase from to 97% achieving the Approaching grade level, 77% to 82% achieving the Meeting grade level, and to 50% achieving the Masters grade level standard as evidenced by 2021 state assessment data.

- **Performance Objective :**

In the area of Reading/ELA, the summed student performance on state assessments will increase to 96% achieving the Approaching grade level, to 70% achieving the Meeting grade level, and to 50% achieving the Masters grade level standard as evidenced by 2021 state assessment data.

- **Performance Objective :**

In the area of Writing, the summed student performance on state assessments will increase from to 90% achieving the Approaching grade level, 33% to 40% achieving the Meeting grade level, and to 20% achieving the Masters grade level standard as evidenced by 2021 state assessment data.

Strategies to ensure success include:

- RTI daily
- Added instructional personnel for Gifted and Talented students, reading
- Grade level teachers offer tutoring
- Weekly PLC planning includes data tracking
- Individual goals conferences are held with each 3rd-5th grade student
- Vertical PLC are held after each testing cycle to track student performances.
