

MEET THE TEACHER!

Welcome!

I am pleased to welcome you to the 2022-2023 school year! I am looking forward to having your child as a student. Pre-K is such a fun grade with so many wonderful learning activities to celebrate.

In order to have a fun year, my most important goal is to create a school family of learners in my classroom. I am committed to creating a classroom environment where your child is a valued, trusted, and integral part of our school family of learners. In order to accomplish this, I have planned a variety of activities to emphasize and reinforce this goal. It is my hope that you will support and encourage this vision at home.

About Me:

Hello! I am Victoria Moore, and I will be your child's teacher this year. I have been married to my wonderful husband for 22 years. I have a 18 year old son who will be starting college. I also have a 15 year old daughter who will be in 9th grade this year. Our family has a dog named Mattie.

I attended Texas Tech University. I received a Bachelors of Science. A few years later, I went back to Tech and received a teaching certification in Early Childhood Education. I absolutely LOVE teaching at Smith!
