Education

I am a proud Texas Tech graduate! I have a degree in Psychology and HDFs! I went back to the College of Education graduate program to earn my teaching certification! My family and I love supporting the Red Raiders!

I've been teaching Second Grade Reading for 15 years and have a passion for teaching reading and writing! This is my ninth year teaching at Smith! It is the best school, with the best students, families, and staff! I feel very blessed to be teaching at Smith and I'm excited for a groovy year!
