

# MEET THE TEACHER!

Welcome!

My name is Bailey Richardson, and I am so excited to be back here at Smith again this year! I will be moving over to the Smith SPED team and teaching K-3 resource/inclusion. I have been married for almost 5 years to my best friend and we have one dog! We are expecting our first child in November.

About Me:

I graduated from Wayland Baptist University in 2017 with a BSIS in education (SPED ec-12 and Gen. ed ec-6). This is my sixth year as an educator, and I have a wide range of experience! I started out as a long term sub teaching math in an alternative high school before I was an official teacher. Then, I student taught in a medically fragile special education classroom (k-5) and a 5th grade reading class. My first year of teaching I taught kindergarten, next I was the lead resource/inclusion teacher (k-5), the two years after that I taught SLC (1-5), and this previous year I taught ECSE (early childhood special education).
