FAVORITES

I love printmaking, painting, batik, cooking and most of all traveling...observing the Northern Lights in Iceland and visiting Cape Horn on the southern tip of South American are next on my list. Favorite treats are sweet iced tea, chocolate, and Swedish pancakes. My third favorite color is green.

EDUCATION

I did most of my schooling in Sweden, where I'm from. I finished high school in Greenville, SC, and went to college at Bob Jones University. I studied Art and Physical Education.
