

Hi, Ms. Knickerbocker. I've started my Pre-Candidate Questionnaire for the Air Force Academy, and I wanted to know if you had time to assist me with a few things.

Hi, Kayunna. I definitely have time to assist you with your application.

Great. First, I wanted to know if you could help me calculate my GPA on a 4.0 scale since our school uses a 5.0 scale.

Sure, let me take a look at your transcript and calculate it now.

Okay. It also states that there is a Secondary School Transcript form that you would need to complete, but I'm not sure what that is.

Let me check the Air Force Academy website...So, it looks like it is a paper form called the USAFA Form 148. I will need to fill it out and mail it in. Let's take a closer look at the form together.

Okay. The last question I have is about how to make a nomination request.

To make a nomination request, you will need to locate the congressional representative's website and complete the instructions they have listed. Let's look up the information now.
