

TEXAS TECH UNIVERSITY

College of Human Sciences

Department of Human Development and Family Studies

Get paid!
Up to \$240

Are You a Parent of a 4th to 6th grader?

Are you interested in learning about the development of emotion and school achievement for your child? Join us in the Development of Emotions and School Achievement Study at Texas Tech!

1. **Activities:** You and your child will be invited to participate in a 3 hour visit to our research lab located in the College of Human Sciences Building on Texas Tech campus. You and your child will be playing some computer games, filling out questionnaires, and solving some math and reading problems. We will also measure your and your child's heart rate activities using some stickers and attention using eye-tracing technology. We will repeat the activities at 1-year and 2-year follow-ups.
2. The visit can be scheduled at a convenient time for your family, including evenings and weekends.
3. Each family will receive \$80 for participation in the initial study, \$80 for participation in the 1st year follow-up, and another \$80 for participation in the 2nd year follow-up.
