

# The Legacy Lives On

IN MEMORY OF  
THE HOLLY  
FAMILY  
CHARLES E.  
ALLISON

**THE BUDDY  
HOLLY HALL**  
OF PERFORMING  
ARTS AND SCIENCES

You can forever be a part of a beautiful fine art sculpture tribute to Lubbock's music legacy with a personalized guitar pick as a permanent fixture at the Buddy Holly Hall of Performing Arts and Sciences. Designed by Texas artist Brad Oldham, the fine art installation will be comprised of 9,000 picks, creating a 30-foot by 120-foot stunning visual of the iconic image of Buddy Holly and his Fender guitar on the south wall of Buddy Holly Hall, forever memorializing the Lubbock area's impact on Rock 'n' Roll across the world. The guitar picks vary in size, and will be cast of aluminum with brushed bronze. Each pick will be personally engraved by the artist.
