

Ervin Elementary Specialty Programs

Art: Students learn about the different elements and principles of art. Students explore different techniques with drawing, painting, and clay.

Choir: Students learn to sing and perform, emphasizing proper vocal development and technique. The Ervin Comet Choir performs for the school as well as for the community throughout the year.

Makerspace: Makerspace develops 21st century thinkers. Students use new technology to learn about coding.

Dance: Students explore a variety of dance styles such as jazz, hip-hop, and ballet. Our students learn and perform choreography designed to teach great technique while entertaining various audiences throughout the year.

Piano: Piano students learn to play and perform the piano, emphasizing proper instrumental development and technique. Our pianists will perform for the school as well as for the community throughout the year.

Band: Partnering with Dunbar, our band students learn the fundamentals of reading music and playing band Instruments. Band is for 5th-grade students.

Ballet: Partnering with Ballet Lubbock, students learn and perform ballet routines while focusing on strengthening technique and skill. Ballet is for 4th- and 5th- grade students.
