doctors care, if so then you would need a new one!

All incoming 7th grades will need a physical.

COVID medical screenings will be done before anyone can participate in summer activities.

Please be prepared for no access to Locker Rooms so come ready  to go!
Have a 1 gallon jug of water for your own use, no sharing of water will be allowed. Have outside shoes and also bring inside shoes available.

All students participating in summer activities will need to join the Team App! We will do our medical screening and have updates on the calendar found on the App. I have attached the instructions on how to get on the app. Our Team Name is Lady Warriors -TSYWL
