Dear Parents,

November 13, 2018

In the continual desire to reach our students and build positive relationships, Roberts Elementary has become an All Pro Dad campus. You are probably aware of how important parent involvement is to your child's academic success, but research overwhelmingly points to the specific benefits of a father's involvement. These benefits go well beyond school success. All Pro Dad provides an opportunity for you to spend quality time with your child that will strengthen your relationship, as well as benefit your child's school and the entire community.

Who: Dads, Uncles, Grandads, Nephews, or the male figure of the student are all encouraged to attend. It is a requirement that they are at least 18 years of age. Students will attend with their father figure. If you have several children, they are all welcome to attend. All Pro Dad is for sons and daughters alike.

What: All Pro Dad is the fatherhood program of Family First, a national non-profit organization dedicated to strengthening families. Mark Merrill is the Founder and President of Family First. All Pro Dad features Mark, NFL players, coaches and alumni who speak out about the importance of fatherhood. The monthly meetings are designed to bring dads and their child(ren) closer together to strengthen their relationship.

When: All Pro Dad's Day - a 45 minute to 1 hour monthly breakfast or after school meeting where fathers and their children meet with other dads and kids in the school cafeteria. At this gathering, they discuss a wide range of family topics, spend time together, have fun and are equipped with resources to strengthen their relationship. All the resources for this event are provided at no cost.

When you sign up: You will receive a "Play of the Day" - a free, short, daily e-mail reaching 50,000 fathers that is free, hard-hitting, concise, and helpful to dads to better engage their children.

Contact: For additional information, please visit All Pro Dads on Facebook, Twitter, Instagram, their website, or visit our Roberts Elementary School Chapter page. You may also contact Dr. Amy Moers at [amy.moers@lubbockisd.org](mailto:amy.moers@lubbockisd.org) or (806) 219-7917

**Our first meeting will be Monday, December 3<sup>rd</sup> at 6:00 p.m. in the Roberts Library, we hope to see you there!**
