If you signed up for PTA and have not been invited to join our GROUPME APP, please email [april.flores@lubbockisd.org](mailto:april.flores@lubbockisd.org)

## Principal's Corner

It has been a great start to 2021-2022, and I am so excited to see all of our families back for another year. Our staff is spending time building relationships with students through our Social Emotional Learning curriculum and have started pushing our students academically to perform at the next level. I am grateful for some normalcy this year and look forward to the many events coming up that families will be attending. I appreciate all that PTA does to support Roberts!

Ask your students about finding inspirational rocks, PE activities, meeting new friends, working to be a Celebration Kid, and finding new books in the library.

Mrs. Briseno
