
24TH ANNUAL CONFERENCE FOR PARENTS & THOSE WHO WORK WITH THEM

BUILDING STRONG CONNECTIONS

Thursday, October 24, 2019

Broadway Church of Christ

1924 Broadway Avenue

As parents, we often feel disconnected with our children. This year's conference will discuss ways our children are disconnected and offer practical ways for you and your child to re-connect. Topics will center on "connecting with your child" through Physical, Mental, & Behavioral Health, ways to connect through various developmental stages of life, as well as ways to connect with yourself to make sure you are staying healthy.

Registration information will be available at <https://www.buildingstrongfamilieslubbock.org> or use the QR code below.
