

Coronado Student Badge Policy Spring 2020

- Students without their picture ID will not be allowed into classrooms.
- Teachers on tardy pass duty, as well as admin, will be in halls to sweep students towards the office
- Once in the office, administrators will determine what action to take. Students may
 - purchase or charge a new ID and go to class.
 - make a call to have ID brought to school. (Student will wait in ISS until the ID arrives, then the student will go to class)
 - go to ISS because they don't have an ID and refuse to get one (or can't because they may only have one outstanding \$3 badge fine at a time)
- If the student goes to ISS, administrators will make parent contact.
