MUSTANG PREP

Mustang Prep is a ONE-day program that is designed to help rising 9th Graders develop the skills they will need to be successful at Coronado in both their classes and the transition to high school. Students will learn about expectations on our campus and within Pre-AP and AP classes. This will also provide them with the opportunity to build relationships with some of their peers and potential teachers. Students will be given the opportunity to get their student ID badges for the upcoming school year.
