

MONTEREY HIGH SCHOOL PARKING POLICIES

2022-2023

PARKING permits are available for Seniors and Juniors. Permits will be sold to Sophomores if parking spaces are available. The district rate for a parking permit is \$45.00. A parking permit allows the student to park his or her vehicle in any space that is designated as student parking. The permit **MUST** be adhered to the windshield as shown in the diagram below.

1. Parking permits must be adhered **(NOT TAPED)** to the windshield correctly. Any variation will result in the permit being invalidated. Permits may not be removed and placed on another vehicle for **ANY** reason.
2. Parking permits that **are not** placed in the correct location on the windshield must be **removed** and brought to the office. Students will be required to purchase a replacement permit for \$5.00 that must be adhered in the correct location. (All old permits must be removed from the windshield.)
3. A parking permit is **only valid** for the vehicle that it is registered for. Students who make a change in the vehicle that they drive to school must remove the permit and bring it to the office. Students must fill out a new registration card. A new permit will not be issued until the old permit is turned in to Mr. Aguilar's (J-M Office/ Annex).
4. Students who wish to drive a different vehicle on a temporary basis must notify the J-M office. Temporary form will be issued for a maximum of 5 days.

5. Cars that are parked in the parking lot without a Current year Monterey permit will be immobilized with a parking boot. **Violators will be required to pay a \$25.00 fine** before the boot is removed. The unauthorized attempt to remove a parking boot may result in damage to the automobile or the boot. L.I.S.D. is not liable for loss or damage to a vehicle or its contents while immobilized.
6. Parking on school property is a privilege. The administration reserves the right to revoke that privilege and refund the unused portion of the \$45.00 parking permit fee.
7. A parking permit may be revoked for the violation of any of, but not limited to, the following infractions:
 - a. Speeding, careless, or reckless driving on or around school property is prohibited. The maximum speed limit in all parking lots is 10 mph.
 - b. Littering on school property is prohibited.
 - c. Loitering in the parking lots is not permitted at any time.
8. L.I.S.D is not responsible for theft or vandalism to vehicles. The purchase of a parking permit **DOES NOT** guarantee that your automobile will not be vandalized while parked on or around school property.
9. Automobiles parked on school property are subject to be searched by school officials if reasonable cause exists as outlined by school board policy or state and federal laws.
10. Students may not purchase parking permits for other Monterey students. A parking permit that is sold to a student may not be sold to another student. Parking permits will be confiscated.
11. Student parking is designated on the East side of the campus on both lots and also designated on the Southeast Lot of campus by the Tennis court. The Southwest Lot is designated for Staff/ Senior Parking. **The Southeast Lot will need to be cleared out by 4:15 during the fall for band practice. PARKING SPOTS WITH NUMBERS ARE DESIGNATED FOR TEACHERS.**

- **Students who purchase a permit must have the license plate number BEFORE the permit will be released. There are no exceptions.**
- **Students who purchase a new vehicle may purchase a temporary permit until they receive their license plates for their new car.**

Name Printed: _____
