

# LUBBOCK HIGH PTSA LEGACY CAMPAIGN BUY-A-BRICK PHASE 1

Please join our vision as we continue to improve and beautify our historic Lubbock High School. You can be one of the first to purchase an engraved brick. You may honor a favorite teacher, celebrate a special occasion, or put a student's name and dates of LHS attendance.

This will kick-off a series of exciting campus improvements that will continue to enhance an inspiring environment for our students, make our campus safer, provide outdoor seating, and improve accessibility.

With your help we will carry on the Legacy of our wonderful school for future generations to come.
