

ATC Guidelines & Expectations-- It is a privilege to attend classes at the ATC, so parents and students should be aware of the following in order for students to remain in good standing:

1. Transportation to/from the ATC is provided for students in grades 10-12 enrolled in a Lubbock ISD high school, or students may drive their own vehicles if they do not wish to ride the bus.
 - If you choose to drive, please do so carefully and slowly while in the parking lot, park between the lines in an approved parking space (not marked for Handicap or Reserved), and watch for other cars and pedestrians.
 - If you are observed driving in an unsafe manner, you risk being ticketed by the LISD Police and you will lose the privilege of driving to the ATC.
2. When you arrive at the ATC you must enter the building immediately; you are not allowed to walk to Valero, Josie's, or any other location off campus. You are not allowed to visit OL Slaton or another school campus or you will be considered truant.
3. Snack/drink machines are located at the ATC for the convenience of staff and South Plains College, and they are a privilege for our high school students. Do not abuse them or they will be off limits. After you purchase something from the machines (or the burrito vendor), go directly to class; the break area is for staff and SPC students and is not intended for use by high school students. If you lose money in a machine you must call the number posted in order to receive a refund; the ATC staff does not refund any money from vending machines.
4. Do not leave the ATC campus between classes (or during class) unless you speak to a LISD staff member at the front office and obtain permission. If a staff member confirms that you have an excused appointment, you will be allowed to sign out after a parent has been contacted.
5. ATC teachers will share their individual classroom expectations for computer use, food/drink, cell phones/ear buds, restroom breaks, behavior in halls, etc.... Please follow instructions and cooperate fully, and you will experience success while at the ATC.

All LISD rules and policies are in effect while students are at the Byron Martin ATC and while traveling to and from the facility. Discipline is handled in a consistent manner with referrals sent to the home campus alpha principal and calls made to parents/guardians.

Failure to follow all rules and policies could result in the loss of a student's privilege to attend classes at the ATC.
