

Endorsement Requirements and Options Summary

Endorsement Requirements	<p>A student may earn an endorsement by successfully completing:</p> <ul style="list-style-type: none"> ● Curriculum requirements for the endorsement (options listed below) ● A total of four credits in mathematics ● A total of four credits in science ● Two additional elective credits in the endorsement area (possibly 4 for CTE pathway) ● A total of at least 26 credits
Endorsements	Curriculum Requirement Options
STEM <small>Chemistry, Physics, & Algebra II Required</small>	<p>A coherent sequence or series of courses selected from one of the following:</p> <p>A. CTE Science, Technology, Engineering & Math- CTE courses with a final course from the STEM career cluster (4 or more credits in a coherent sequence including at least two from the same cluster and one advanced that is 3rd or higher in sequence) Example: Engineering.</p> <p>B. Math: Mathematics courses including Algebra I, Geometry, Algebra II and two additional courses for which Algebra II is a prerequisite (a total of five credits)</p> <p>C. Science: Science courses including biology, chemistry, physics and two additional science courses (a total of five credits)</p>
Business and Industry	<p>A coherent sequence or series of courses selected from one of the following:</p> <p>A. CTE Electives: CTE courses with a final course from one of the following clusters: Agriculture, Food, & Natural Resources; Architecture & Construction; Arts, Audio/Video, Technology & Communications; Business Management & Administration; Finance; Hospitality & Tourism; Information Technology; Manufacturing; Marketing; or Transportation, Distribution & Logistics CTE (4 or more credits in a coherent sequence including at least two from the same cluster and one advanced that is 3rd or higher in sequence)</p> <p>B. English Electives: The following English electives: Debate, Advanced Broadcast Journalism including Yearbook (4 credits of three levels in one of the areas listed)</p>
Public Services	<p>A coherent sequence or series of courses selected from one of the following:</p> <p>A. CTE Electives: CTE courses with a final course from one of the following clusters: Education & Training; Health Science; Law, Public Safety & Security; or Human Services</p> <p>(4 or more credits in a coherent sequence including at least two from the same cluster and one advanced that is 3rd or higher in sequence)</p> <p><i>Note: Talkington does not offer the ROTC program.</i></p>
Arts & Humanities	<p>A coherent sequence or series of courses selected from one of the following:</p> <p>A. Soc St: Social studies courses (5 credits)</p> <p>B. World Lg: Languages Other Than English (either 4 credits of the same language or 2 credits of 2 languages)</p> <p>C. Fine Art: 4 credits from one or two categories (art, music, or theater) in fine arts</p> <p>D. Eng Elec: 4 English elective credits that are not part of Business and Industry (Octathlon/Academic Decathlon)</p>

<p>Multidisciplinary</p> <p>English IV AND Physics OR Chemistry required for Multi-Foundation.</p>	<p>A coherent sequence or series of courses selected from one of the following:</p> <ul style="list-style-type: none">A. Advanced: Four advanced CTE courses that prepare a student to enter the workforce successfully or postsecondary education without remediation from within one endorsement area or among endorsement areas that are not in a coherent sequenceB. Foundation: Four credits in each of the four foundation subject areas to include English IV and chemistry and/or physicsC. AP, IB, DC: Four credits in AP, IB, or dual credit selected from English, mathematics, science, social studies, economics, languages other than English, or fine arts
