

Night School Mission Statement

The Matthews Night School Program mission is to provide a safe, supportive environment that promotes the opportunity for all Lubbock I.S.D. students to graduate and acquire a high school diploma.

POLICY:

- Students will be enrolled based on individual need to recover credits for graduation.
- Students must be in attendance for each nightly school session (Monday, Tuesday and Wednesday 5:00 pm-8:00 pm.)
- Mandatory to sign in and out daily with accurate time.
- No phone use is allowed in the lab.
- All students are required to work on their assigned program the entire time. (3 hrs.)
- No talking or socializing during class time. (Social sites are prohibited on district issued equipment.)
- Breaks are allowed, but keep in mind that you must work to gain credits.
- Students/testers are required to attend EOC review courses when offered.
- Failure to show up to test, will result in immediate withdrawal.
- You are allowed drinks and snacks, no full course meals.
- We will not accept calls regarding night school.
Please see Mrs. Thompson if you have concerns.

Note* Night school is a mature, self motivating option for students seeking a high school diploma. We will allow all enrolled that opportunity. We will not vacillate and entertain students that are a disturbance.
